

**Agenda: TCEQ/EPA SIP Monthly Call; October 19, 2017, 2:00 – 3:00;
866-299-3188, access code 214-665-6645**

Goals of the Monthly Calls

- Status updates
- Identify issues for separate followup calls
- Identify action items for followup

Introductions

EPA Statement on New Source Performance Standards and Emission Guidelines for Municipal Solid Waste Landfills – EPA

- In May 2017, EPA granted reconsideration to petitions on various issues regarding the 2016 final rules for Municipal Solid Waste (MSW) Landfills New Source Performance Standards (NSPS) and Emission Guidelines (EG).
- EPA still intends to complete the reconsideration process.
- As a 90-day stay on the 2016 NSPS and EG rules expired on August 29, 2017, the 2016 rules are currently in effect.
- EPA is reconsidering several issues in the 2016 final rules for MSW Landfills NSPS and EG.
- EPA will continue to work with states and stakeholders as we develop a path forward on these separate but related actions.
